Treasurer's Report –Victor Lourenco

There has been a minimum of fees collected so far – but the season has just started.

Referee Report – James Pitcher

There has been several young referees who have taken the class this spring. Coaches and parents need to be courteous to the new referees and encourage them. Having mentors on the games will help greatly.

Registrar Report – Matt Palmer

Matt needs club rosters immediately. Please make sure that they are given to him ASAP.

Spring League Coordinator Report - Bill Campbell

Please remember that the scores of your games need to be turned in by Monday evenings to your age coordinator to avoid late fees.

Old Business – Bill Mizera

Proxy forms need to be sent to Sally ASAP. We have received about six so far.

Zero Tolerance issues – NYSW is mandating that zero tolerance be enforced. Please notify coaches and parents of this.

New Business

Referee Feedback forms need to be completed in full. Make sure you have names of referees and coaches on the forms.

Make sure that game changes are made in two week window, to avoid penalties.

Minutes respectfully submitted
